## Book Creator

### What is it?

You can use the Book Creator to create digital books. These books are multimedia and are easy to use. You can add voice, images, audio, videos, text or weblinks to the book. Then you view or play the book with the text read out for you.

### Challenge Level

Creating digital books with Book Creator is easy.

It allows you to make information more interesting for teachers and students using multimedia.

There is no limit on how complex you want your book to be.

### Ideas for the classroom

- Each child writes a personal "About Me" book.
- The children record experiments with BookCreator.
- You can also use Book Creator to retell stories in multimedia.
- The class designs a book together with Book Creator.

### Preparation

- Make sure you have the Book Creator app installed on your iPad.
- Check that the device is fully charged.
- Check that you have prepared the work assignment for the children.
