### What is it?

Google Jamboard is an online service that allows writing, creating sticky notes, drawing and attaching photos. You can share a Jamboard with your friends so you can all work together on your own devices.

### Challenge level

Creating a Jamboard, or participating on one is very easy. You can start a new Jamboard by pressing on the + -button.

You will need a Gmail account in order to use Jamboard.

### Ideas for the classroom:

- Write names of foods on a sticky note. Organise them based on their healthiness.
- Add the map of Finland on the board. Mark down different cities or attractions.
- Write down words and use a different color for verbs and nouns.

### Preparation:

- Open the Jamboard-service and log in with your Gmail-account.
- Create your new Jamboard.
- Share a link with the Jamboard participants.
